

AI Prompt Pack for The New SEO – Masterclass

AEO – Answer Engine Optimization Prompts

- Act like an SEO expert. Write 5 FAQ-style questions and answers for the topic "Digital Marketing for Beginners" that can be used in an FAQ section.
- Generate an answer box-style paragraph (40–50 words) for the query: "What is Google Search Console?" Use a neutral to authoritative tone.

SGE – Search Generative Experience Prompts

- Summarize the top 5 ranking pages for the keyword "best SEO tools 2025" into one clear, expert-style answer that would be suitable for a search engine.
- Create a structured blog outline with subheadings optimized for Google's SGE and People Also Ask, on the topic "How to improve your SEO strategy."

AIO – AI Content Optimization Prompts

- Write a long-form blog introduction (150 words) for "Top Social Media Trends in 2025" using natural language and keywords.
- List a set of 5 SEO title + meta description pairs for a blog on "YouTube SEO Strategy for Beginners." Optimize for CTR and relevance.

Platform-Specific SEO Prompts

- YouTube: Give me 5 YouTube video title ideas and 5 matching video tags for the keyword "ChatGPT for SEO." Use a beginner-friendly tone.
- Instagram/TikTok: Suggest 5 Instagram reel captions with relevant trending hashtags for the topic "How to grow organically on Instagram."
- Amazon: Write an Amazon product listing title and 5 bullet points for a wireless Bluetooth speaker, optimized for search and conversion.
- LinkedIn: Write a LinkedIn post (100–150 words) educating users about the difference between AEO and traditional SEO.

BONUS: Repurpose Content Across Platforms

- Take the following blog intro and rewrite it for:
 - 1. A YouTube script intro
 - 2. An Instagram carousel caption
 - 3. A LinkedIn thought-leadership post
- [Paste blog content here]
